

Managing Challenging Behaviour

portal training

Courses from **£186^{pp}** per day

*Terms & Conditions apply. See our website for details.

Course Overview

This dynamic and respected course focuses on the importance of preventing unwanted behaviour occurring within the class/training room by deploying a range of behaviour management strategies and teaching methods. These strategies have a proven track record of managing and reducing challenging behaviour displayed by learners and parents.

Who are we?

Portal Training specialises in professional development within the education sector, delivering expert Behaviour Management, Motivational and Safeguarding Training to teachers, FE lecturers, Careers Advisers, Work Based Learning Providers and Learning Coaches.

Duration & Location

The course will take 1 day to complete. The training can be delivered at your premises or at Portal's Training Centre located in Cardiff. *Imperial House, Trade Street, Cardiff, CF10 5DT.

What will you gain from this course?

- Increased confidence in dealing with challenging learners with a strong focus on how to prevent challenging behaviour.
- An in depth understanding of the importance of managing our own behaviour when dealing with challenging learners and parents
- An improved ability to manage aggressive and potentially violent behaviour displayed by learners/parents
- New skills and tools to create and sustain a positive learning environment and atmosphere
- An introduction to the 'Behaviour 4 Learning' Model
- A new range of teaching methods, skills and tools that will reduce challenging behaviour occurring in the first instance
- A raised awareness of the importance of our own Body Language when dealing with challenging individuals and groups

Portal Training also offer INSET Provision and a range of additional courses. Full details can be found on our website.
